

Communicate Learn & Share

Agrupamento de Escolas de Santo André
Santiago do Cacém

GOALS

- To share, acquire new methods and approaches to learning and teaching.
- Foster international cooperative relationships and develop skills in science, technology, engineering, and mathematics (STEM).
- Contribute to the development of computational thinking, with a focus on increasing digital literacy.
- Promote CLIL methodology and English language learning to break barriers and insecurities in communicating with partners and other schools in the EU.

ABOUT US

Portugal, Italy and Slovakia want to share and acquire new learning and teaching methods and approaches, foster international relations and cooperation and develop skills in science, technology, engineering and mathematics (STEM).

“Who ‘R’ We?” is our first activity that will culminate in the mobility of students and teachers, a total of 18 students and 6 teachers.

SANTO ANDRÉE

HELENA FREIXO

"Home is where your
heart is"

Europe as a rich cultural tapestry, with a great linguistic diversity and commitment to fundamental values highlight itself as a beacon of peaceful coexistence and progress, building a legacy of well-being for present and future generations.

ERASMUS

Opportunity to participate in professional development activities, training and exchange of knowledge and expertise among teachers from other countries.

ELISABETE SIMÕES

"Learning is an Art.
Teaching is a virtue."

EUROPE present us a world of discovery, where every journey becomes a chapter in the story of our lives. It's not just about the places we visit, but the people we meet, the cultures we embrace, and the moments that leave an indelible mark on our souls.

ERASMUS

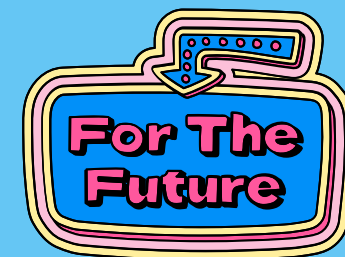

Is a dynamic voyage into diverse cultures, languages, and educational systems. An opportunity to inspire and be inspired, fostering a shared commitment to knowledge, understanding, and the development of young minds.

DIOGO CORREIA

"When you believe everything is possible."

EUROPE, with its resilience and grace, has weathered the storms of history, emerging stronger and more united. Through wars and revolutions, showed us that the human spirit can endure, rebuild, and strive for a better tomorrow.

ERASMUS

Give us the opportunity to meet new people and learn about the country's culture.

PEDRO REIS

"When you don't take any risks, you risk everything."

Europe means values and cultural diversity. In one phrase:

"E pluribus unum Europae" - Latin for "Out of many, one Europe."

It emphasizes the strength that comes from diversity and the collective spirit that unites Europeans as they navigate their shared history and work towards a common future.

ERASMUS

It's a great opportunity to have the opportunity to study abroad.
An incredible experience to get to know new cultures and make international friends!

FLÁVIO ANTUNES

"Without failure there's no success!"

Europe is a place where peace is more frequent than in other places in the world. A sea full of opportunities and beautiful places to see and admire.

ERASMUS

Helps students to work and study in a foreign country, thus providing good memories and learning from the places they have been.

HARKIRAT GHUMMAN

"The world is too big to think small."

Europe is a place where opportunities are accessible to everyone, transcending national boundaries. Is inclusive and open-minded, regardless of one's background, nationality, or origin.
